

Parrot Poop – June 2023

Look What We Did in May!

❖ La Fiesta Phlocking – Friday, May 5 at 7:00 p.m. - Emerald Club

Parrot Heads enjoyed "la parte" celebrating La Fiesta night for Cinco de Mayo at the Emerald Club. Margaritas, a Taco Bar, and music featuring the RV Road Show and Dirty Blond highlighted the evening. The 50/50 raffle proceeds of \$240 were donated to CHEW (Children Healthy Eating on Weekends). This is a United Way of Onslow County Program to assist children in our

community by providing backpacks with child-friendly, easy-to-prepare meals over the weekend.

❖ Bike Poker Run - Saturday, May 20

Five Phantastic Stops and what a great time we had! Thanks to the Growler, Bar 1957, Shark's Den, Fish Hut Grill, Beachside Bar and, of course, the E-Club who put up with our madness and served us in style. Moh Trainee and Jessi Holland, our Big Birds, did a super job organizing the event. Our Parrot Head volunteers at registration, the Card Sharks on site, the behind-scene workers and the amazing bicycle Phlock that dressed up and paraded from bar to bar made this event, once again, a successful phun-philled day! Congratulations to our poker winners and raffle winners. Proceeds (to be announced soon) will go to Semper Fi & Americas Fund.

❖ Beer and Baseball Adventure - Saturday, July 15

Big Bird, Cindy New, has reserved 2 big buses for our trip to the Kinston Wood Ducks Game at Grainger Stadium and the private party on the second floor at Mother Earth Pavilion which includes our game tickets, Cheeseburger/Hot Dog buffet, and a tropical event jersey! We have invited the Pirates of the Neuse Parrot Head Club to join us on the

buses.

Prior to the game, the buses will drop us off at Mother Earth Brewing where we can partake of our favorite beer flavors or hop on 2 free shuttles running from Mother Earth Brewing to various bars and other historical sites in downtown Kinston. These bars love Parrot Heads and often include special drinks and/or appetizers. Watch for online registration soon.

Online registration will be opening soon on our Emerald Isle Club site at

When I was a proofreader, I shared with my coworkers this example to illustrate how writing can skew based on gender: A professor wrote on the blackboard, "Woman without her man is nothing." The students were then instructed to insert the proper punctuation. The men wrote, "Woman, without her man, is nothing." The women wrote, "Woman! Without her, man is nothing." —Susan Allen
