## LATEST PHLOCK NEWS

### Beach Bike Poker Run Update!

Six bars, decorated bikes, card sharks, lots of volunteers and many partying participants made this, once again, a successful PHun-PHilled day! There were prizes for the best poker hands and the best decorated bikes and riders.

We raised \$5,745 for the [Adaptive Surf Project of NC](#) ~ a group of surfers, friends, water-lovers and overall searchers of the "perfect wave". Based out of Morehead City, their mission is helping to create a life without limits by taking individuals living with disabilities out to the beach to enjoy the sport of surfing.

A huge **Thank You** to the bar stops that participated:

♥ Bar 1957

♣ Gaffer's

♥ Snapperz

♠ Flipperz

**June PHlocking ~ Save the Sea Turtles!**
